OUTING REPORT

Ray Marsden reported a washout for the May Outing. Though 19 including 7 children attended, it was easily decided to call the outing off due to a storm and heavy rain at the outset. Not satisfied with going home, the party went to Bob and Esme Lacey's

MINUTES CONT.

home to enjoy their hospitality and their photographic slides.

Thankyou Esme and Bob.

NEXT OUTING

Due to the cancellation of the May outing and with many members being away, the executive have decided to rehold the May outing. Details will be as before with cars meeting at Girraween Information Centre at 10am. Lunch will be carried and the walk will be along the Mt. Norman track. Leader to be appointed.

NEXT MEETING

This will be a Members Night and they are asked to either bring slides for a short showing or have some short item of interest to speak on.

SPECIMENS

Rob McCosker brought a fossil(wood) from the Tabulum area.

BUSINESS

Favourable comments were made that the Club participate in the Arts Council display in November.

Ray Rolland brought a copy of GEO Vol 2 No 3 which contains an extensive article on Girraween.

President Jean asked for leave of absence from the next couple of meetings owing to her trip to Denmark for daughter Susan's wedding. A happy and safe trip Jean for you and yours and our best wishes to Susan. John O'Donnell will take the chair in Jean's absence.

There being no further business, the meeting closed at 8.45pm. President Jean introduced guest speaker Helen Horton and spoke of Helen's interest in flora put in book forms of Mt. Isa and Moreton Bay and ably supplemented by husband Bill with his ornithological interest. Helen's bird calls are most popular and presented on ABC radio. Helen took us among the many islands of Moreton Bay explaining the differences in their basic structure - sand or deltoid soil. The mangroves, trees, grasses all have their part to play while wildflowers grow on the more open areas. It was interesting to compare the life-styles of the people - those resident were for preservation while the visitor was there to abuse the beach and sand dunes with his 4WD and his litter.

Thankyou Helen for taking us to an almost unknown area.

Joan Stevenson. Hon. Sec.

REMINDER! Next Outing - Girraween Information Centre at 10am.
Walk will be along the Mt. Norman track.
Carry lunch.
Sunday, 23rd June, 1985.
